Have you noticed,
the voices in your
head always stay
the same volume.

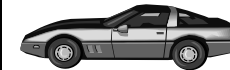

**So be my guest, you got
nothin' to lose, won't you
let me take you on a sea
cruise?**

Joe Bilak reports that all hands made it back on the 2018 Sea Cruise Reunion. The ship was massive with some attendees needing to take a break when traversing it's length. There was always something going on, including several hosted cocktail hours. One of them included the reunion meeting. Some of the highlights from the meeting- a proposal was made (and tabled for further review) that funds from our reserve account be used to subsidize future trips and members needing financial assistance. This can not be done under the laws covering our nonprofit organization. Another item was suggesting having reunions yearly. All well and good however our next reunion will be in San Diego and no one stepped up to do the follow on reunion until Mitch said, if necessary, he would cover it (that would be his third hosting). Each member needs to seriously consider hosting a reunion to keep the ball rolling.
